

To Whom It May Concern,

On behalf of myself, our board of directors, the coaches and all our wrestlers at **Mad Dog Wrestling Club**, we are growing as a wrestling club and need your support to continue to achieve our goals. Our club is now recognized as one of the premier wrestling clubs in the state. In order to continue to give our wrestlers an opportunity to improve themselves we need your support.

In our 2012-2013 season we had 125+ wrestlers attend our wrestling programs (fall, winter and spring; both youth and high school). We were also able to provide the tournament fee's for the majority of the tournaments (16 tournaments in total resulting in several state placers, one New England placer, many 1st, 2nd & 3rd results from tournaments); 3 clinics with wrestlers such as Gene Mills (3x World Champion) and Clay Steadman (Penn State) as well as offset the cost of attending the club for the members that just **cannot afford it**.

At the conclusion of every season our coaches gather to discuss about how to improve the experience for our wrestlers, how do we help them to achieve their goals.....improve their moves technically....help them become a little tougher....help them compete so they can not only arrive on the mat, but walk away with a sense of achievement and confidence.

This fall we welcome our **3rd season** (2013-2014) as Team Mad Dog. We have expanded our youth program into 2 groups (Advanced/Novice). This will allow our experienced wrestlers to move to the next level and also teach our new wrestlers the basic techniques they need to get to the next level. Our High School program has been steadily growing we are attracting wrestlers not only from Newton but also our neighboring towns such as Needham, Watertown, Waltham, Boston, Belmont & Weston.

This year we find ourselves facing a short-fall for our fall program because we have expanded our programs (We are at Fessenden Mon – Thurs nights). We want to continue to offer 4 nights of wrestling, as well as provide a fall clinic with Gene Mills, so we are asking for you to contribute in any possible way for us to continue to give back to our younger generation.

Please consider helping us. Any donations, large or small, financial or in kind will be appreciated. All donations will be recognized on our website. We are a designated 501 (c)(3) organization. **EIN# 45-2441993**

Please visit maddogwrestlingclub.org for more information regarding our programs.

Warmest Regards,

Kevin Randall
